About KUK

The Kurukshetra University was established in 1956 as a unitary residential University and its foundation stone was laid by late Dr. Rajendra Prasad, the first President of India. Located in the holy city of Kurukshetra, land of the historical battle of 'Mahabharata' and the great message of Bhagwad Gita, its campus is situated on the western bank of Brahmi Sarover (the holy tank) and extends over an area of over 400 acres. Commenced with the Department of Sanskrit, it has grown into a multi-department University and has become one of the premier centres for advance study and research.
