CDOE

Galgotias University, Uttar Pradesh, sponsored by Smt. Shakuntala Educational and Welfare Society, is a premier institution recognized for its academic excellence. In its first NAAC accreditation cycle, the university achieved an A+ grade with a CGPA of 3.37 out of 4, underscoring its commitment to quality education.

The Centre for Distance and Online Education (CDOE) at Galgotias University, entitled by UGC, is committed to providing innovative and accessible education tailored to the needs of modern learners. Rooted in practical learning, the CDOE emphasizes hands-on experiences and real-world applications, ensuring that students gain skills and knowledge relevant to today's dynamic global workforce.

By fostering a community of lifelong learners, the CDOE promotes personal and professional development through flexible programs designed for continuous learning. It cultivates an inclusive environment, welcoming students from diverse backgrounds, and bridges the gap between traditional education and the evolving demands of the industry.

Why choose us?

Galgotias University's Online MCA is a two-year, UGC-DEB Entitled program designed for the modern tech professional. With a flexible, industry-aligned curriculum, it nurtures critical thinking, ethical entrepreneurship, and global perspectives. Students gain cutting-edge skills through real-world projects, industry partnerships, and advanced technology integration. Inclusive, accessible, and future-focused, this program embodies Galgotias University's commitment to educational excellence, leadership development, and a culture of innovation.

Curriculum

Program Structure for MCA

S.No.	Course Title	C
1.	Introduction to Mathematics (Bridge Course is for those candidate who do not have Maths in 10+2)	2
2.	Introduction to IT [Bridge Course for non science students]	2

SEMESTER I

S.No.	Course Title	C
1.	Problem Solving and Computer Programming	4
2.	Computational Mathematics and Statistics	3
3.	Database Management System	4
4.	Digital Computer Organization	3
5.	English Proficiency and Aptitude Building	2
6.	Quantitative Aptitude and Reasoning	4
Total Credits		20

SEMESTER IV

S.NO	Course Title	C
1.	Major Project	20
Total Credits		20

Elective-I for II sem

S.No.	Course Title	C
1.	Internet of Things	3
2.	Data Science with R	3

SEMESTER II

S.No	Course Title	C
1.	Object Oriented Programming with Java	4
2.	Machine Learning with Python	5
3.	Data Structures	4
4.	Verbal and Quantitative Reasoning	2
5.	Data Communication & Networking	2
6.	Operating Systems	2
7.	Elective - I	3
8.	Training - I	1
Total Credits		21

Elective-II for III sem

S.No.	Course Title	C
1.	Software Engineering and Testing (Ex with SET)	3
2.	Big Data	3

Elective -III for III sem

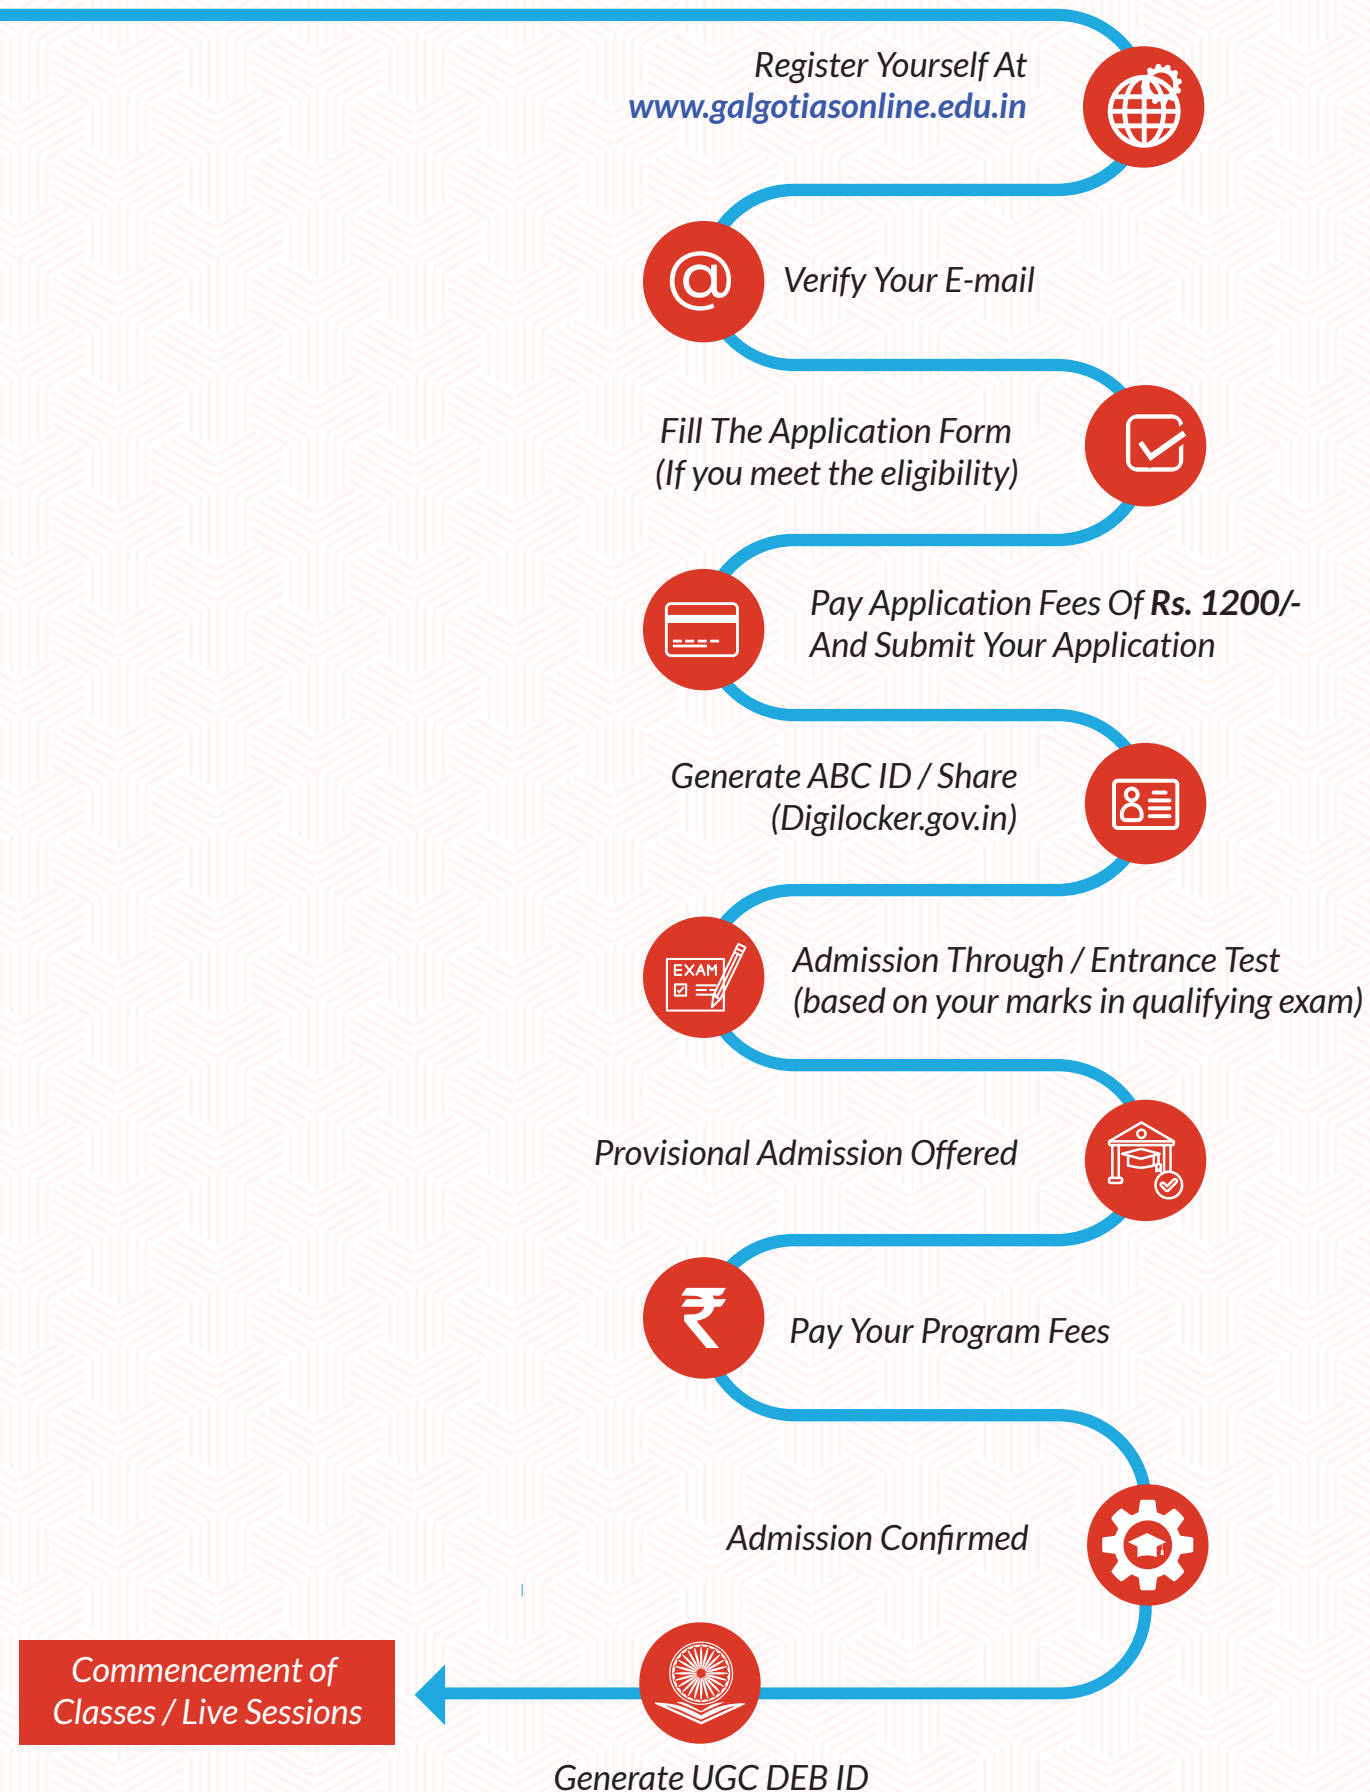

S.No.	Course Title	C
1.	Advanced Java Programming	3
2.	Web Technology	3

SEMESTER III

S.No	Course Title	C
1.	Mobile App Development	5
2.	Design & Analysis of Algorithm	4
3.	Elective - II	3
4.	Elective - III	3
5.	Professional Readiness	2
6.	Cloud Computing	4
Total Credits		22
